Financial Assistance

YMCA Camp H.R. Erdman has a dedicated group of volunteers who help us raise money each year as part of our "Strong Community" campaign. This effort enables us to provide financial assistance for children and families who need financial support to participate in our camp programs. In 2009 we were able to provide over \$90,000 of financial aid! If you require financial assistance to make participation in camp possible, please contact the camp office for a financial assistance application.

Should you be willing to contribute to our 2010 "Strong Community" campaign, please include your tax-deductible donation with your campers registration.
