

YMCA Camp Erdman

## Packing List

YMCA Camp Erdman wishes to make each and every child's experience a fun and positive one. One way that we try to reach that goal is to prepare our parents for what their children will need during their stay. Listed below is a list of suggested items and their quantities your child should bring to camp. One very important piece of advice we wish to pass along to families is to leave all expensive or delicate clothing at home. It is also important to pack enough clothes for your camper to wear during their entire stay. Camp Erdman does have laundry facilities, however only for emergency purposes. Please remember to mark all clothing and belongings with your name in a permanent marker. Thanks!

### Money:

To avoid lost or stolen money we request that campers keep their money safe at home. All campers will have a Camp Store account. In order to open a Camp Store Account for your child, the "Camp Store Form" must be completed and sent to the camp office prior to your child's arrival. On the form you will be able to set the spending limits for your child during their stay at YMCA Camp Erdman.
