

Kid's Club (18 months - 3 yrs old)

Kids' Club is a playgroup environment. It is a great introduction to a school setting. The program includes stories, arts & crafts, outdoor play, music and snacks. This program helps both the child and the parent get used to the idea of "going to school". It is also a great way to support grandparents who are watching/babysitting their grandchildren full-time.

The safety of all children enrolled in our preschool program is our number one priority. If a child is harming another child or staff member the following steps will be taken:

-Child will be put on a think out or quiet alone time and parent will be notified.

If problem persists a meeting will be called between the parent, preschool coordinator and program director to discuss an action plan. If none of the above measures are effective, this program may not be for your child. The safety of all the children is very important to the Mililani YMCA.
