FOR SOCIAL RESPONSIBILITY

Club Mid – After School Program

Club Mid is a dynamic, youth driven YMCA middle school after school program, which was a vision brought to life by our Youth Advisory Committee, with the advice and guidance of our staff team. Each day of the week will provide different activities and options which will ensure that every teen can find something that peaks his or her interest. Each participant will be given the opportunity for personal development, to make healthier choices, and become socially responsible by participating in service learning, physical activities, and personal development exercises.
