YMCA Camp Erdman

Outdoor Education Program
Teacher Planning Guide
From The Camp Director...

Aloha and thank you for choosing YMCA Camp Erdman. I am blessed to call YMCA Camp Erdman my home and it is my pleasure to welcome you as part of our Camp 'Ohana. Our team at YMCA Camp Erdman is stoked that you and your students will be joining us for a safe and fun outdoor education experience on the beautiful North Shore!

This Teacher Planning Guide contains everything you need to know to create an insightful and memorable experience for all. We have designed three different “Tracks” to meet the various needs of all of our schools. Please explore this guide and discover which “Track” is best for you and your students.

Please reach out with any questions regarding your upcoming trip,

**Outdoor Education Program Overview**

The YMCA of Honolulu is one of the largest non-profit organizations in the state. Our organization was founded in 1869 and incorporated under the laws of the Kingdom of Hawaii in 1882. Every year, we serve more than 100,000 individuals in a variety of programs. Our branch, YMCA Camp H.R. Erdman is located within Ka‘ena Point State Park, nestled between the Waianae mountains and the blue waters of Mokuleia. Our rural campground
makes Camp Erdman the perfect outdoor classroom for all of our students.

Every year, thousands of campers get to experience YMCA Camp Erdman’s Outdoor Education Program. Current research indicates direct correlations between the level of natural world engagement and the increase in a child’s ability to learn and improve their health and social behavior. Meaningful outdoor experiences are powerful tools for lifelong impact and learning. Between exploring our tide pools during Marine Biology and climbing to new heights on the Alpine Tower, our unique program allows our campers to have a true hands-on learning experience. It’s our mission to provide a safe, nurturing, and inclusive environment to youth of all ages, backgrounds, and walks of life. Here at Camp Erdman we want our students to dare to learn new things and empower them to go outside the known.

Our Outdoor Education Program is designed to keep your students active by keeping both body and mind in motion. We focus on being outdoors and immersed in the natural world! Our activities are geared towards groups working together rather than solitary pursuits. In all of our programs, we promote the YMCA’s core values of caring, honesty, respect, and responsibility.

Our Staff
Our Outdoor Education Program is supervised by our full-time Camp Director. Our campers work directly with our full-time Program Instructors. Program Instructors are college educated young adults with extensive experience in education or recreation and a strong desire to work with children. Prior to employment all Program Instructors must pass a national criminal background check and character reference check. Each season, Program Instructors undergo a weeklong training receiving an accredited

Teacher Planning Guide. Revised June 2022
certification in either YMCA Lifeguarding or Challenge Course Facilitation. Additionally, our staff participate in various Environmental Education Trainings.

Health Care
All YMCA Camp Erdman staff are trained in Basic First Aid, Basic Life Support, and Emergency Oxygen. However, school staff members and chaperones are primarily responsible for providing healthcare to students including first aid and dispensing medication. Each school must bring a designated and certified CPR/First Aid personnel while at Camp Erdman.

Facilities & Food
Cabins: We have sixteen bunk cabins available for our Outdoor Education Program. All cabins have electricity, a full bathroom, and a centrally located shower house.

Camper Meeting Spaces: We have meeting spaces available for all schools. This private meeting space is where students will gather throughout the day in between their various activities.

Teachers Lounge: We have various teachers lounges available for all schools. This private area has A/C, a refrigerator, and ample storage space. Teachers and chaperones often store snacks or other food in this area.

Food: Meals are served family style in our indoor dining facility. All meals YMCA Camp Erdman serves meet or exceed USDA nutrition standards with lots of healthy options to choose from. Vegetarian, Vegan, Lactose-Intolerant, and Gluten Free options are available.
upon request. Just as a friendly reminder, Camp Erdman is a nut free facility. Please inform us of any dietary restrictions your group may have at least 60 days prior to arrival. We ask that food is not brought inside of your cabins, as it can attract animals and insects.

“Environmental Track”
The purpose of this program is to provide our campers with the opportunity to experience nature through a variety of hands-on activities. We want campers to leave YMCA Camp Erdman with a new appreciation for Hawaii's beautiful surroundings and an increased awareness of how to protect our environment. Most importantly, our program promotes a sense of community and cooperation among the students through safe, fun, and challenging activities.

“Team Building Track”

The purpose of this program is for campers to reach beyond their limits while enhancing communication and cooperation skills among their group of peers. Campers will overcome many challenges individually and as a group during their camp experience. These activities will help them build self-confidence and a stronger sense of community. They will leave YMCA Camp Erdman with a multitude of new skills that can be applied in their everyday lives.

**Activity Guide**

**Alpine Tower:** Students will utilize Challenge By Choice and reach new heights while climbing our 50 foot tower.

**Archery:** Students will learn the basics of Archery safety, techniques, and dynamics.

**Botany:** Students will learn about native and non native plant species and their relationship within our coastal environment.

**Campfire:** Students will engage with their favorite camp staff through fun campfire songs and skits.

**Capture the Mattress:** Students will run around playing a camp-wide game similar to capture the flag, but with a Camp twist!
**Commander:** Students will run and hide! Students compete in a fierce game to be the first player to tag each check-point and make it back to home base without being seen by the Commander.

**Egg Drop:** Students will work together to build a contraption that protects their egg from the drop.

**Gold Rush:** Students will protect their territory and their gold! Students work in teams to accumulate the most gold (and run around a lot!)

**Group Challenge:** Students will learn the basics of team building through various exercises.

**Koa Challenge:** Formerly Olympics. In this tribute to Camp Erdman’s Summer Camp Battle Challenge, students compete for victory in a handful of classic challenges.

**Low Ropes:** Students will utilize their communication skills in various high energy team building initiatives.

**Malama Aina:** Students will learn what it means to be a steward of the environment through fun activities and possible camp clean-ups. This activity is a hybrid of both Marine Biology and Botany.

**Marine Biology:** Through fun activities, students will learn about underwater and coastal life, with an emphasis on the human impact on this ecosystem.

**Mauka Hike:** This program takes students on a quick yet moderately challenging hike behind camp.

**Minute to Win It:** Students compete in various challenges in teams to beat the clock!

**Nature Art:** Students will create various crafts using natural materials.

**Odyssey:** 8 Group Challenges on a thrilling two level high ropes course.

**Scavenger Hunt:** Students race around camp in teams to find clues and complete the hunt.

**Swimming:** Students get to splash and play in our large swimming pool.
Dear Chaperone,

Thank you so much for volunteering your time to be one of our chaperones! Your commitment to YMCA Camp Erdman’s Outdoor Education Program will make a positive impact on our campers’ experience. Below you will find information regarding your role while at camp.

Cabin Assignments and Activity Groups

Your head teacher will be incharge of creating your school’s cabin assignments and activity groups, placing both campers and chaperones in their assigned cabins and groups. Chaperones will be required to sleep in cabins with campers. **Each cabin and activity group must have at least one adult chaperone, but no more than two.** Additionally, use of name tags will help out tremendously, please see example below!

**What to Bring**

Below is a list of items we encourage our adult chaperones to bring for their stay at YMCA Camp Erdman.

- Sleeping Bag or Twin Bedding
- Pillow
- T-Shirts and/or Tank Tops
- Shorts
- Bathing Suit
- Toiletries & Towels
- Socks
- Closed Toe Shoes and Slippers
- Reusable Water Bottle
- Backpack

**Your Role**

You and your headteacher are responsible for providing direct and active supervision for both your cabin and activities group throughout your entire stay at YMCA Camp Erdman. We need at least one adult in each activity and cabin group. Our fantastic Program Instructors will be leading our activities, but we ask that our chaperones facilitate all behavior management. During shower time, please make your presence known in the bathrooms, but always respect student privacy. Unsupervised shower times can cause problems…please be present to make sure the students are respectful of others and safe. To ensure the safety of our campers AND chaperones, please make sure campers are always properly supervised. Chaperones should NEVER be alone with a camper. Students must always be with an adult and at least one buddy during all activities, meals, free time, etc. NO CAMPERS SHOULD EVER BE LEFT UNSUPERVISED.
