

Current COVID-19 guidance from the Hawaii State Department of Education:

- Please continue to conduct daily wellness checks before your child comes to school and keep them home when they are not feeling well. [Click on the link below for the Daily Wellness Checklist.](#)
- Indoor and outdoor masking is optional for students and staff, but highly encouraged.
- In the event of a COVID-19 cluster or outbreak, masks may temporarily be required indoors.
- Quarantine is not required for in-school exposure, but indoor masking is strongly recommended for ten days following an exposure. Should your child test positive for COVID-19, please report this to your school's office staff.
- Isolation requirements remain for anyone who tests positive for COVID-19 or has COVID-19 symptoms. Please follow the [Hawaii State Department of Health Isolation and Quarantine Guidance by clicking on the link below.](#)
- Mitigation strategies will remain flexible to adapt to a cluster or outbreak.
