Y Kids

Out of School Program for Inspiration, Recreation and Education

The Program

The Y Kids Program is a school-age childcare program developed to meet the variety of needs of our families with K-6th graders who attend Holomua multi-track Elementary School. Our focus is to deliver a high quality but affordable program so families don't have to worry what to do with their children when school is out. In order to keep the program costs down, daily activities may vary from our traditional Intersession program but will still include activities such as arts & crafts, story time, outdoor play, music & dance, and morning & afternoon snack. Our staff team is comprised of nurturing and loving adults trained in First Aid, CPR, and Child Abuse Prevention.
