### Emergency Authorization

(If registering for more than one week, Emergency Authorization needs to be filled out only once)

In the case of a medical emergency, every effort will be made by the YMCA staff to contact the parent/guardians of the ill/ injured child. However, in the event that our attempts are unsuccessful, please provide us with an alternate emergency contact.

Emergency Contact \_\_\_\_\_  
Name
Phone Number

Should a child become ill or injured while on a field trip and it is deemed that medical attention is needed, YMCA staff will call for an ambulance and the child will be taken to the nearest medical facilities. Indicate below if you prefer an alternate medical center, keeping in mind that this may not be the nearest facility depending on the location of the field trip. In a serious situation the Youth Director with the advice of the emergency response unit may decide that it is in the best interest of the child that he/she be taken to the medical facility that is closest to the field trip site.

My hospital preference is: \_\_\_\_\_  
Hospital

I agree to the emergency procedure above. I also understand that as parent/guardian, I will be responsible for any costs incurred should my child become ill or injured and the YMCA staff determines that medical attention is required. Such costs may include the need for an ambulance and expenses for medical care.
