

EVERY CLUB. ITS OWN STORY.

WEST O'AHU Y'S MEN AND WOMEN'S CLUB — ACTIVE TODAY

The West O'ahu Y's Men and Women's Club was chartered at the Mililani YMCA on January 14, 1984, under the guidance of YMCA Branch Executive Maile Kanemura. As Mililani and West O'ahu grew, the club grew with the community — supporting families, YMCA programs and service projects while also developing leaders for the Hawai'i Region.

Today, West O'ahu members support Mililani YMCA fundraisers, programs and community events, including Healthy Kids Day and the annual Trunk & Treat.

KALIHI Y SERVICE CLUB — ACTIVE TODAY

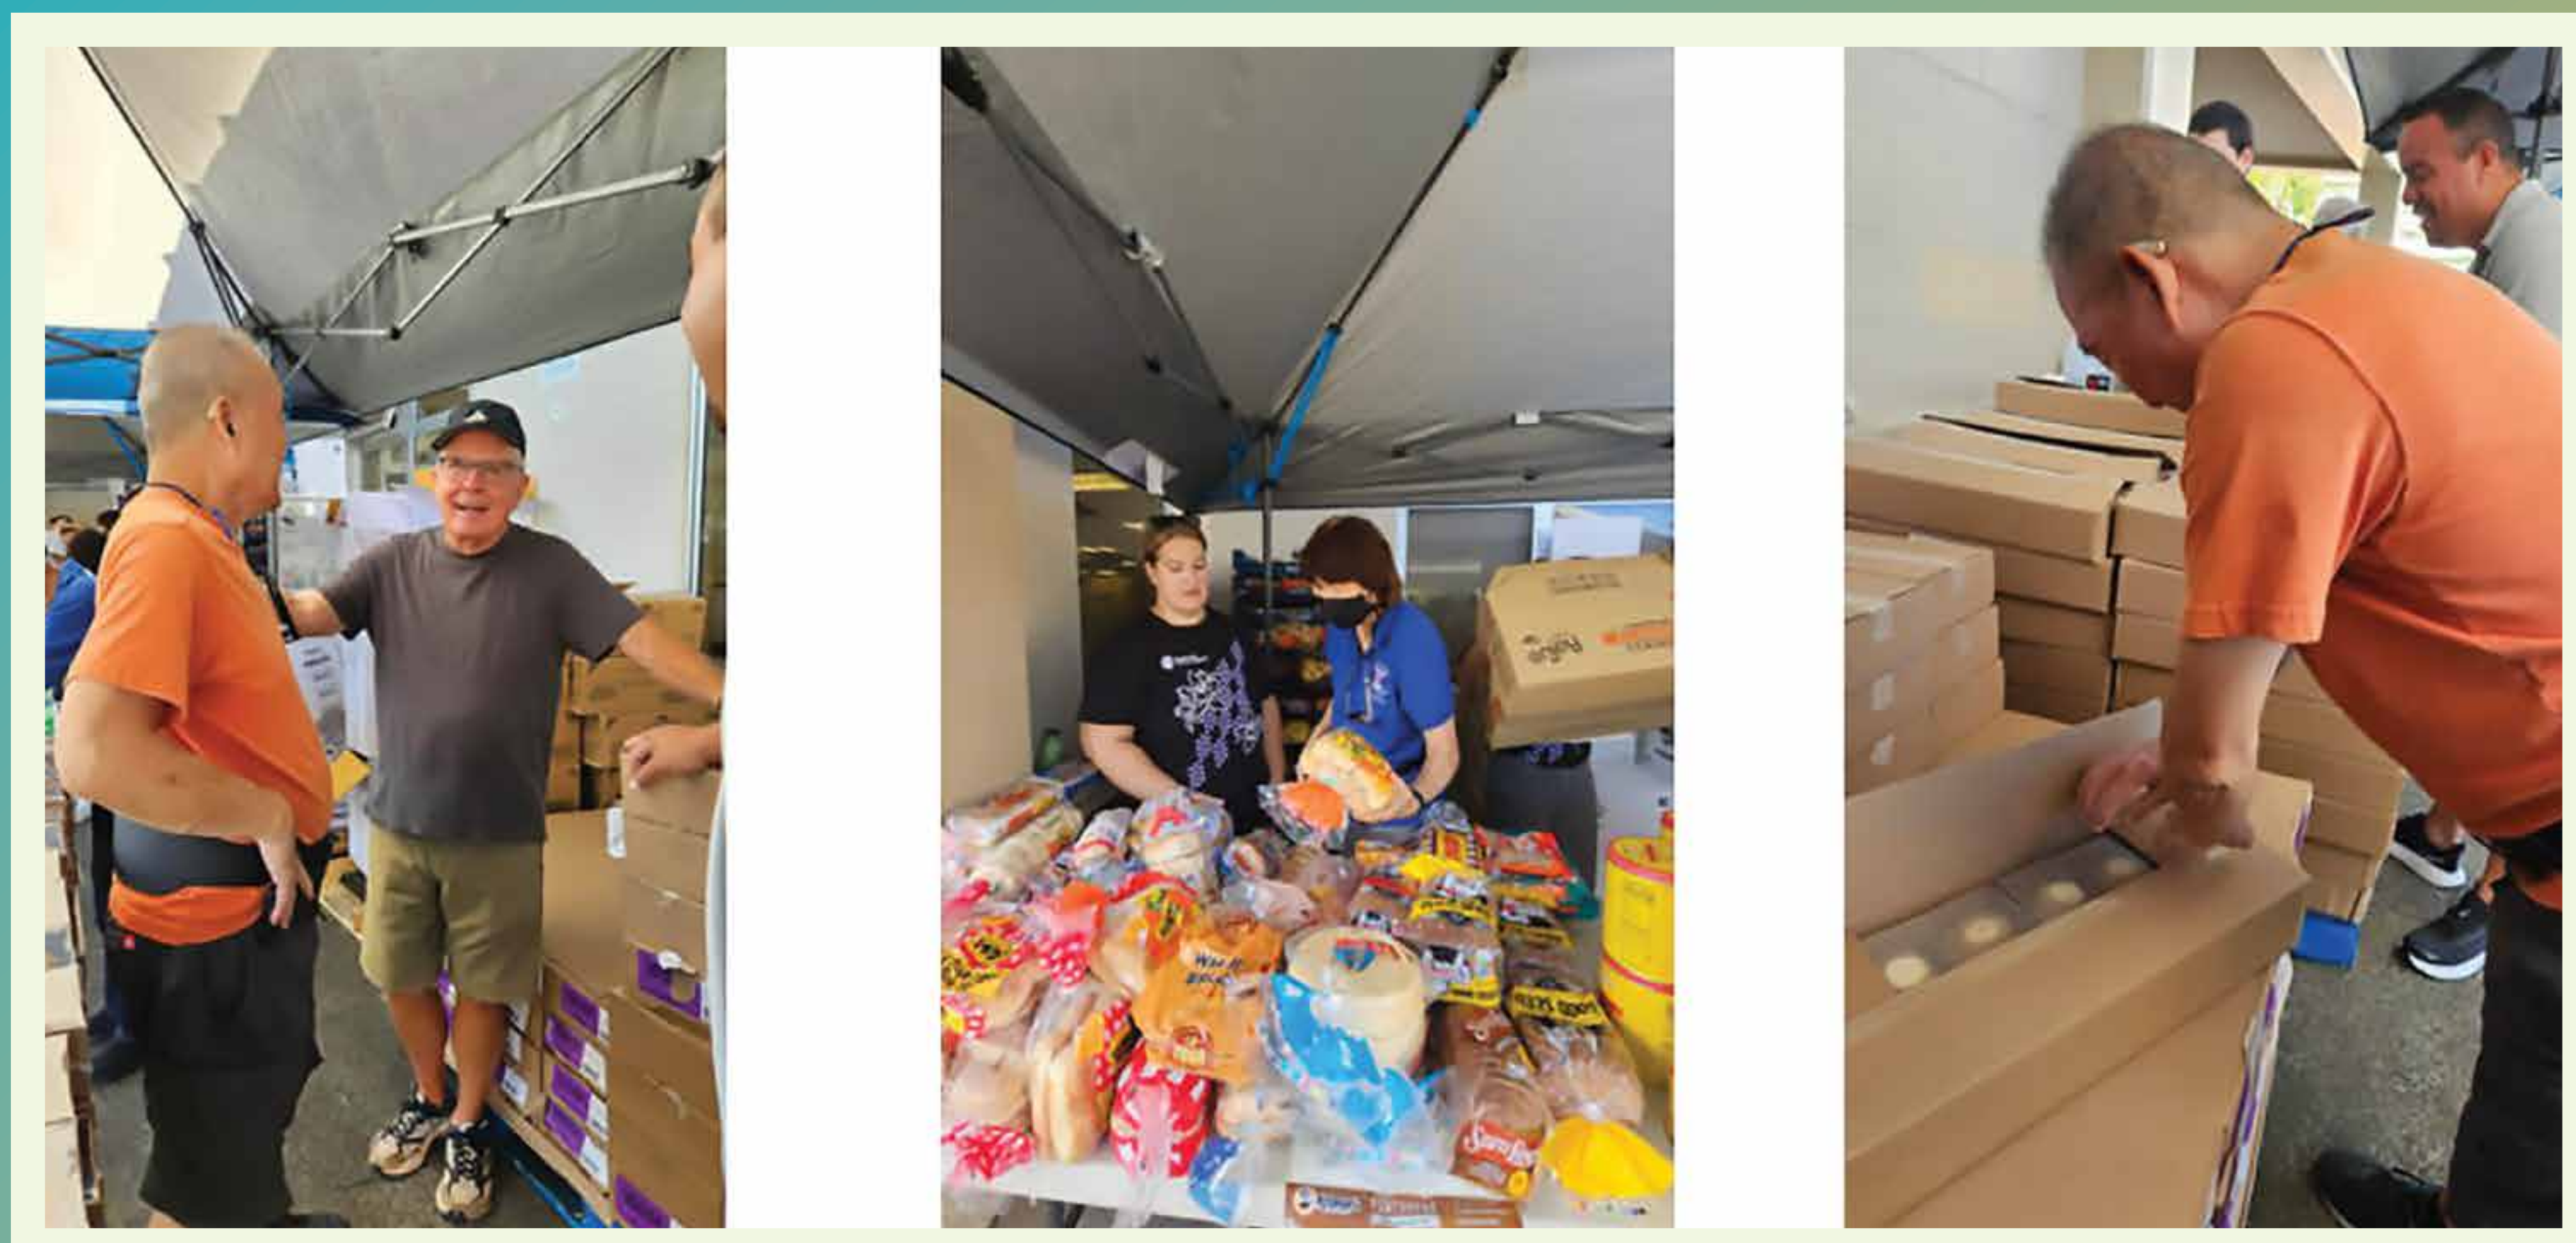

The Kalihi Y Service Club was chartered January 19, 1991, after Kalihi YMCA Branch Executive Phil Chun brought together prospective members, helped draft the club's constitution and bylaws, and shaped its goals and vision.

PHIL CHUN — 68 YEARS

Phil Chun first served with the University Y's Men's Club from 1958–1962, where he learned what a Y's Men's Club could do for the YMCA. Nearly three decades later, he put that experience to work helping organize the Kalihi Y Service Club.

“Continue to be active in your club activities as a means of bettering your community. Additionally, the friendships developed over the years will be long lasting.”

Kalihi Y Service Club members help with fundraising and community projects and events such as the annual Healthy Kids Day and distributing food and other essentials to families at Kuhio Park Terrace. One 2025 distribution served 100 families.

CENTRAL Y SERVICE CLUB — HISTORIC TODAY

The Central Y Service Club was chartered May 27, 1994 under Central YMCA Branch Executive Dave Livingston.

Central club members supported the YMCA in practical, personal ways — including an annual holiday dinner for those staying at the Central Y that brought staff, volunteers, and residents together for a shared meal and fellowship.
